New South Wales WaterAid Golf Day

5 December 2023

WaterAid/Tariq Hawari

WaterAid enables the world's most vulnerable and marginalised people to gain access to clean water, decent toilets and good hygiene, allowing them to unlock their potential.

From the beginning, WaterAid has promoted handwashing as an essential element of hygiene education, which has now taken on new meaning across the world.

Register today to take part in the annual New South Wales WaterAid Golf Day.
