

Winnovators 2023

Fund Challenge

Fund Challenge

Together we can unlock people's potential with clean water, decent toilets and good hygiene. Without all three, people can't live dignified, healthy lives. With all three, they can unlock their potential, break free from poverty, and change their lives for good.

The funds raised by the Winnovators 2023 teams will go directly to support WaterAid's programs to achieve this in Timor-Leste.

Your team can develop and deliver exciting, big ticket fundraising campaigns that will help make this a reality.

What is involved?

- Prepare, present and execute your creative and profitable fundraising campaign.
- Your team will receive **\$750 AUD** seed funding after a successful pitch in May to help deliver your ideas.
- Manage your campaign through your own dedicated fundraising page provided by WaterAid.
- Deliver your campaign and share your fundraising journey and achievements along the way.
