WaterAid works to bring clean water, decent toilets and good hygiene to communities around the world.

Without these three essentials, people can't live dignified, healthy lives. With all three, they can unlock their potential, break free from poverty, and change their lives for good. Children grow up healthy and strong, women and men can earn a living, whole families and communities start to thrive.

Since 2009 WaterAid's Golf Day in Sydney has raised over \$157,000 to support the vital work of WaterAid.
