A NIGHT IN THE JUNGLE

Join us in the jungle for what promises to be a spectacular evening at the Queensland Gala Ball.

Bring your clients, staff, and friends along for a night of entertainment and water sector networking opportunities, all while raising funds for WaterAid Australia to help bring clean water, decent toilets and good hygiene to some of the world's most vulnerable communities.

QUEENSLAND WATERAID GALA BALL

Date: Saturday 15 July 2023

Time: 6.30pm

Venue: Brisbane City Hall, 64 Adelaide Street, Brisbane

TABLES FOR 10
FOR \$4,000 NO GST

WHO ARE WE RAISING MONEY FOR?

WaterAid is an international not-for-profit, determined to make clean water, decent toilets and good hygiene normal for everyone, everywhere within a generation.

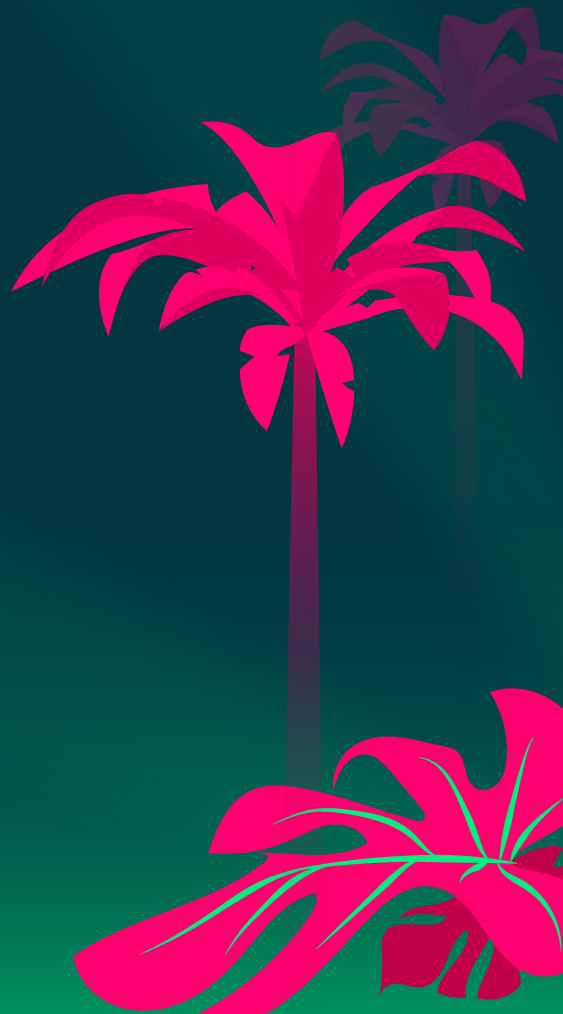

We are resolutely focused on tackling these three essentials. Without all three, people can't live dignified, healthy lives. With all three, they can unlock their potential, break free from poverty, and change their lives for good. Children grow up healthy and strong, women and men get to earn a living, whole communities start to thrive. It sounds normal and it should be.

By inspiring people and sparking chain reactions, and working closely with partners internationally and on the ground in some of the toughest places in the world, we help achieve widespread change. Millions of people have already taken control of their lives and built better futures.

There is still work to do. 771 million people worldwide – or one in ten – don't have clean water close to home. We are working with our supporters and partners to get clean water, decent toilets and good hygiene to these communities. It's about more than installing taps, toilets, boreholes and wells. To make lasting change happen on a massive scale, we:

- Convince governments to change laws;
- Link policy makers with people on the ground;
- Change attitudes and behaviors;
- Pool knowledge and resources; and
- Rally support from people and organisations around the world.

Together, we will change millions of lives for the better – and change normal for everyone, everywhere within a generation.
