TABLES  
OF 10 FOR  
\$5,000

## Who are we raising money for?

Right now, 771 million people globally lack access to clean water, 2 billion people do not have a decent toilet and millions do not have access to good hygiene.

WaterAid is an international not-for-profit determined to make clean water, decent toilets and good hygiene normal for everyone, everywhere. Only by tackling these three essentials in ways that last, can people change their lives for good.

Over the last 15 years WaterAid Australia have supported water, sanitation and hygiene

programs in Bangladesh, Ethiopia, Ghana, India, Malawi, Nepal, Mozambique and Tanzania in conjunction with funding from the Australian government as well as through the support received from corporate partners and individuals.

WaterAid Australia is currently managing programs across Cambodia, Timor-Leste and Papua New Guinea, as well as supporting programs in India.
