

### Winnovators 2024

# **Fund Challenge**

# **Fund Challenge**

Together we can unlock people's potential with clean water, decent toilets and good hygiene. Without all three, people can't live dignified, healthy lives. With all three, they can unlock their potential, break free from poverty, and change their lives for good.

The funds raised by the Winnovators 2024 teams will go directly to support WaterAid's programs to achieve this in Papua New Guinea.

Your team can develop and deliver exciting, big ticket fundraising campaigns that will help make this a reality.
