Join us on a special journey **Around the World** by getting your **"Ticket to Awareness"** for the Queensland Gala Ball. Entertain your clients, staff, friends and network with your industry peers. **Don't miss your chance to be there to enjoy this premium event to raise money for WaterAid and celebrate the 'Around the World' Queensland Gala Ball. Help us get closer to "everyone, everywhere having access to clean water, decent toilets and good hygiene."**

## WHO ARE WE RAISING MONEY FOR?

WaterAid is an international not-for-profit, determined to make clean water, decent toilets and good hygiene normal for everyone, everywhere.

Since we started in 1981, we've remained resolutely focused on tackling these three essentials that transform people's lives. Without all three, people can't live dignified, healthy lives. With all three, they can unlock their potential, break free from poverty, and change their lives for good. Children grow up healthy and strong, women and men get to earn a living, whole communities start to thrive. It sounds normal and it should be.

Over 771 million people in the world don't have access to safe water (that's roughly one in ten of the world's population). These people risk deadly waterborne disease each time they drink from a dirty borehole, a polluted stream or a dangerous well. Children are most vulnerable – Around 290,000 children under five die every year from diarrhoeal diseases caused by poor water and sanitation. That's over 800 children a day, or one child every two minutes.

You can see why we're passionate about this work. And working on this for over a decade has taught us that empowering people to make change within their own community is the first vital step out of poverty.

**Together, we will change millions of lives for the better – and change normal for everyone, everywhere.**
