Fundraising approach

We leveraged our team's national presence to plan a series of fundraising events.

Throughout our campaign, we wanted to bring in the spirit of "Wantok" and to share the message of WaterAid's mission.

Each event was put together with the main goal of bringing our communities and colleagues together alongside achieving our fundraising targets.

Seed Funding Allocation

Seed Fund provided: \$750.00

Events that used the fund:

- Water Drinking Contest \$30.00
- Raffles \$159.00
- Trivia Night \$250.00
- Office BBQs \$311.00

All other events and expenses were kindly donated, fundraised or sponsored.

All seed funding was used.

Fundraising Events

Events ran between May 2024 - August 2024

Fundraising Kickoff!

Over the 4 months, we ran 10 different types of events across our Australian offices.

From baking, sizzling, painting, dancing – we were not only fundraising, but advocating for our Winnovators cause.

Check out the next few slides to see our events!

Morning Teas (VIC & NSW)

Raised: \$1,688.00

We held our Morning Tea bake sales in our Melbourne, Newcastle and Sydney offices. Ingredients and time were kindly donated by our Winnovators team members and Water group colleagues who wanted to unleash their inner MasterChef!

Here are some of our goodies that were made – stellar and a sell out!

Paint & Sip (QLD)

Raised: \$645.00

Kindly sponsored by our very own WSP Brisbane social club, the event was a successful night of painting our hearts out while enjoying a nice beverage of choice!

Check out the colorful birds created below!

Water Drinking Contest (QLD)

Raised: \$800.00

The goal was who could drink 750 mL of water the fastest - best time wins bragging rights and a small prize. So many were involved, there were too many competitors to count!

Our Brisbane office said it was a spectacular 15 mins of staying hydrated and learning about WaterAid!

Office BBQs - Christmas in July & August! (VIC & SA)

Raised: \$1,234.60

What beats the Aussie winter blues more than pretending it's the summer holidays? Across both our Melbourne and Adelaide offices we hosted three BBQs that sizzled away the crisp wind chill with some snags and sodas.

Seed funding allowed our Winnovators team to cater for all dietary types and proved to be a popular cheap lunch!

Trivia Night (NSW)

Raised: \$1,015.68

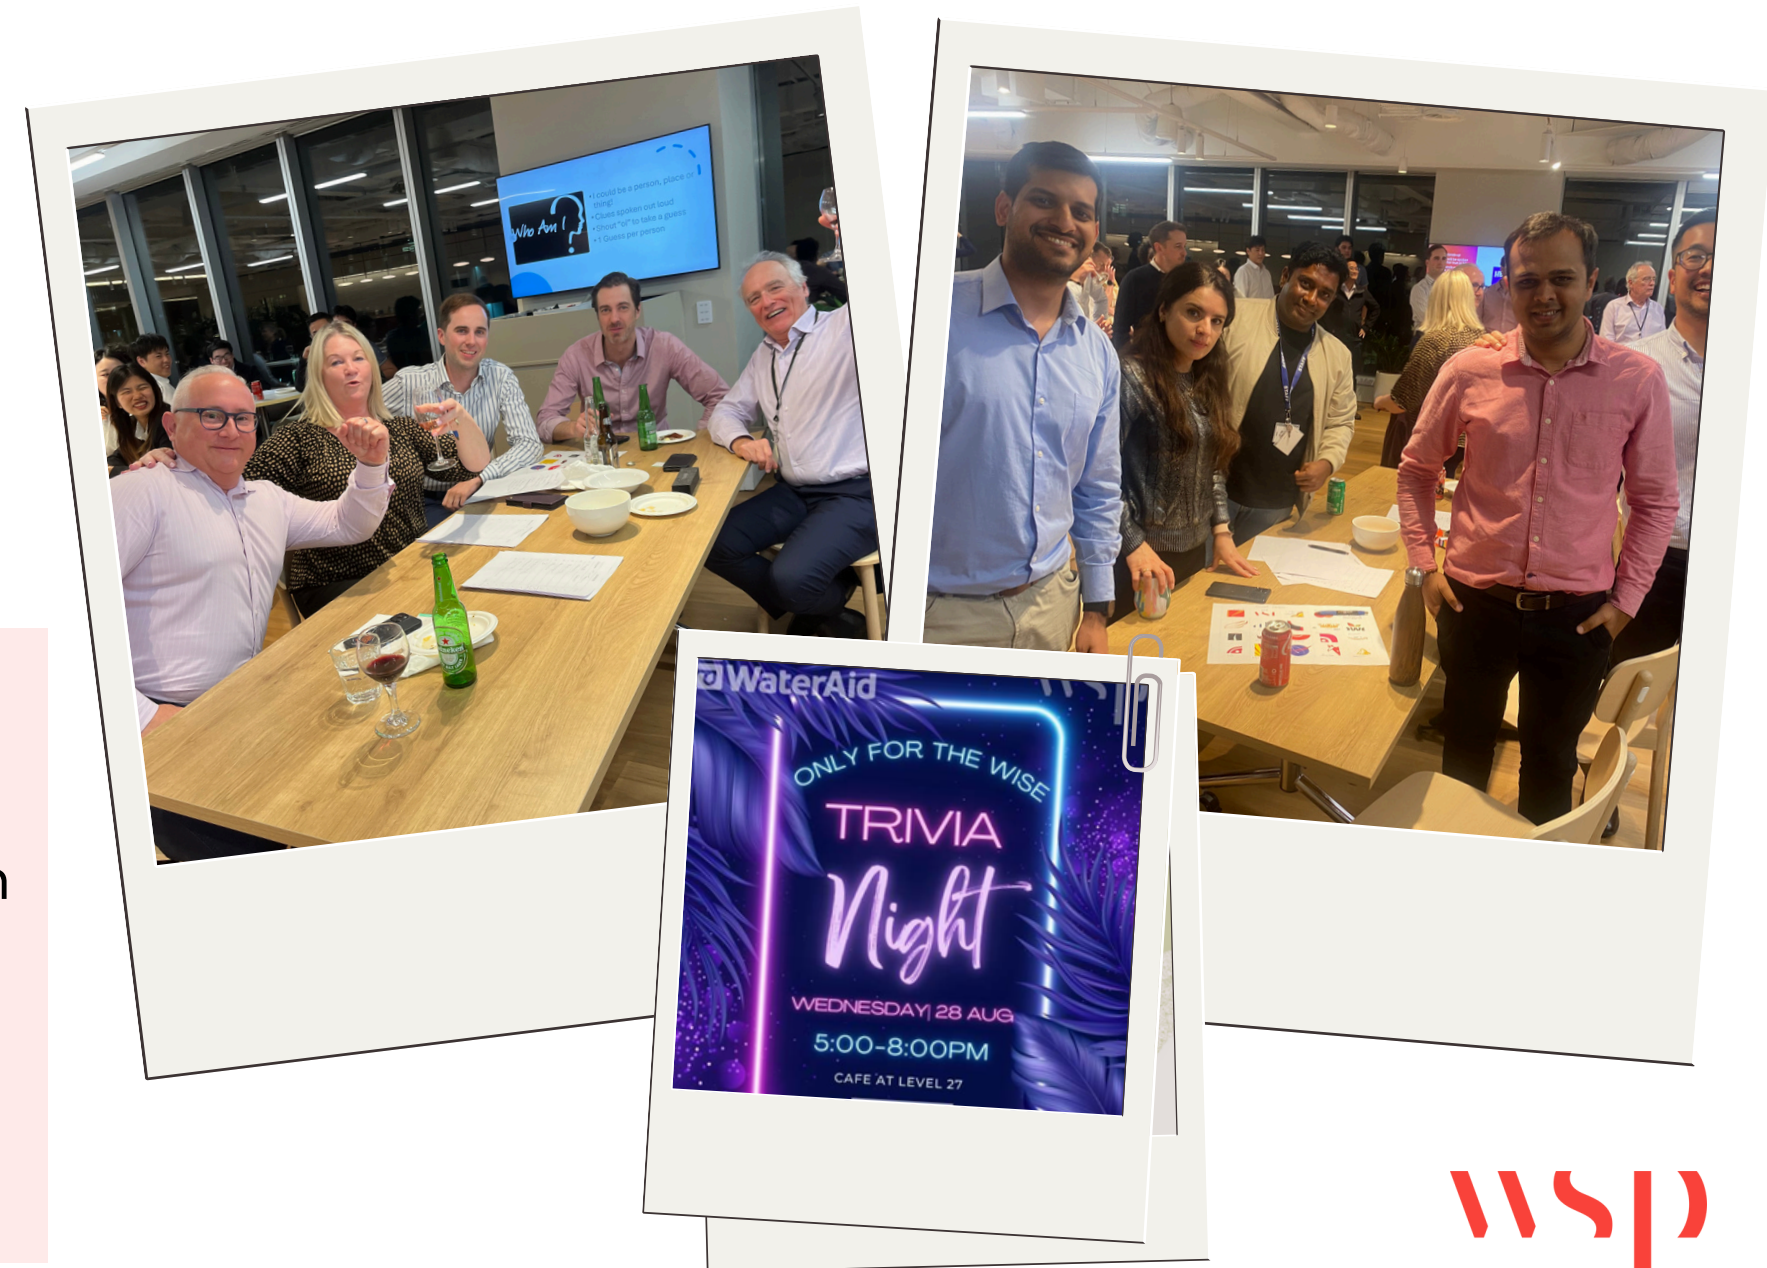

WSP's Sydney office held a battle of the brains in their new space. Seed funding allowed the winners to take home not only bragging rights, but some sweet tasty treats!

DJ Night (NSW)

Raised: \$3,865.00

The decks came out for an all inclusive DJ night hosted by our very own WSP team. The tunes were pumping while the donations were flying!

With FOMO felt from all the other offices, there were rumors of the DJ night event going on tour around Australia next year!

Lawn Bowls in Newcastle (NSW)

Raised: \$1,575.00

WSP's Newcastle office held a fantastic event! Kindly sponsored by the Newcastle WSP Social Club, it was the night to remember - catching up with colleagues and friends over some fun games at the local lawn bowls club.

In true Wantok spirit, the event brought together a lovely community to share about WaterAid and the importance of the work they do.

Raffles & Auctions - Everyone's a Winner! (NSW, QLD, VIC)

Our team thought boldly and aimed to host one mega national raffle for our fundraising challenge. However, with the guidance of WaterAid and others, we decided to go with a divided but united approach in our raffles and auctions. We held small raffles with fun prizes in VIC and QLD, and hosted a Silent Auction in NSW! Check out the prizes & funds collected below!

Local Raffle (QLD)

Raised: \$1,051.45

Some kindly donated prizes and one lucky person won a lunch with WSP Australia's CEO, Greg Kane!

Wine Tasting Night Raffle (VIC)

Raised: \$513.58

Tasting wine was too much fun, and a few lucky tasters got to bring a bottle home with PNG coffee!

Silent Auction (NSW)

Raised: \$753.50

Donated paintings by our very own staff, wine escapes, to yoga classes - everyone was bidding to win!
